Katun® Performance™ Monochrome Toners for use in

Triumph-Adler LP 4135 & LP 4245

Printers

Katun PNs: 39952, 39621 • OEM PN: See Page 2

Katun introducese two high quality new-build monochrome toner cartridges for use in Triumph-Adler printers

The introduction of these Katun® Performance™ toner cartridges for use in widely placed Triumph-Adler LP 4135 and LP 4245 machines adds to Katun's growing product offering for use in Triumph-Adler monochrome printers. These products provide both cost savings and high-quality performance. To enable full compatibility with managed print systems (MPS), these new-build Katun® Performance™ cartridges come standard with a chip, like the OEM cartridge.

Benefits:

◆ **Toner Performance You Can Trust**
These Katun® Performance™ new-build toner cartridges have been developed and rigorously tested to provide outstanding image quality, image density, page yields and fusing performance. You'll receive industry-leading performance from these reliable, profitable OEM alternatives.

◆ **Reduce Your Supplies Costs and Improve Your Bottom Line**
These Katun toners help you gain a competitive advantage by offering OEM-equivalent performance and yields at a significant cost savings; now you can improve your profitability without sacrificing quality.

◆ **Consistent Print Quality**
This color toner set meets Katun® Performance™ standards, so end-users will experience true, vivid color reproduction throughout the life of the toner cartridge. The exceptional color quality meets performance requirements in graphics applications, and therefore easily meets or exceeds the expectations of end-users in business color environments, where most of these machines are placed.

◆ **A Growing Line You Can Count On**
Katun's line of products for use in Triumph-Adler printers continues to expand with the introduction of these highly anticipated new toner cartridges. Triumph-Adler dealers who have successfully utilized previous Katun® toner cartridges because of consistent performance, high print quality and significant cost savings, will be equally satisfied with these new Katun® toner cartridges which now include the RFID chip to allow for full MPS functionality.

KATUN®

Machine Overview

In 2012, Triumph-Adler introduced the LP 4135 and LP 4245 printers. These machines are ideal for small to medium-size office environments. This machine is productive and fast, delivering print speeds up to 45 ppm and a 9 second or less first-print time.

Models	Speed (ppm)	Mfg Status
LP 4135	35	Current
LP 4245	45	Current

Product Characteristics

Models	OEM PN	Katun PN	Yield	Chip	Available
LP 4135 LP 4335	TK-170 1T02LZ0NL0	39952	7,200	Yes	April 2013
LP 4245	TK-360 1T02J20EU0	39621	20,000	Yes	May 2013

OEM Stated Yield; actual yield may vary depending on machine application, machine condition and usage conditions.
